“Club Mouse Beat” to Premiere at Showbase in Tokyo Disneyland

URAYASU, CHIBA—Tokyo Disney Resort® announced that “Club Mouse Beat” will premiere on July 2 in **Tokyo Disneyland® Park** at **Showbase**, located in Tomorrowland. This new live entertainment program will feature Mickey Mouse and many of his Disney and Pixar Friends in an exciting and unique performance.

The setting of the show is a popular club called “Club Mouse,” where Mickey and his friends go to show off their cool dance moves. At Club Mouse, the friends can have fun and be themselves as they give dynamic hip-hop, Latin and pop performances. Lightning McQueen from the Disney and Pixar film, *Cars*, as well as Judy Hopps and Nick Wilde from the Walt Disney Animation Studios award-winning film, *Zootopia*, also make appearances. The Disney Villains interrupt the fun with a mysterious performance, adding to the rich variety of the show.

Tokyo Disney Resort has implemented measures in accordance with the “Amusement Park and Theme Park New Coronavirus Infection Containment Guidelines,” focusing on the health and safety of our guests and cast members. “Club Mouse Beat” will be presented in line with these health and safety measures. To avoid congestion, entry to Showbase will temporarily be limited and signing up through the Entry Request system on the Tokyo Disney Resort® App will be required to view “Club Mouse Beat.”

Tokyo Disney Resort will continue to focus on the health and safety of our guests and cast members. We ask for your understanding and cooperation.
