Messages from Oriental Land Co., Ltd. and Walt Disney Attractions Japan, Ltd.

Today, on February 26, 2022, I am grateful and happy to have welcomed our 800 millionth guest. I want to express my gratitude to the countless guests who have visited Tokyo Disney Resort, to the Walt Disney Company who is our important partner, to all those who have continuously supported Oriental Land Co., Ltd., and to the cast members who strive every day to bring happiness to our guests.

Beginning in 1983 with the Grand Opening of Tokyo Disneyland, and with the Grand Opening of Tokyo DisneySea in 2001, we have brought happiness to our guests for more than 38 years.

Tokyo Disney Resort will continue to evolve, with the opening of Tokyo Disney Resort Toy Story® Hotel this April, followed by the opening of “Fantasy Springs,” the eighth themed port at Tokyo DisneySea.

Despite having to operate differently due to COVID-19, we will continue to deliver enjoyment for our guests.

We will continue our efforts at Tokyo Disney Resort to be a themed resort unlike any other, and hope that you look forward to visiting us.
