Tokyo Disneyland Park and Tokyo DisneySea Park Attendance Figures for Fiscal Year 2017

URAYASU, CHIBA—**Tokyo Disney Resort®** announced today that the total combined attendance at **Tokyo Disneyland® Park** and **Tokyo DisneySea® Park** for fiscal year 2017 (April 1, 2017 to March 31, 2018) amounted to 30,100,000 persons (96,000 more persons, or 100.3% of the attendance figure for the previous year).

In fiscal year 2017, the new attraction **Nemo & Friends SeaRider** and the summer special event “**Disney Pirates Summer**” at Tokyo DisneySea, as well as “**Disney Gifts of Christmas,**” the show that premiered at Cinderella Castle in Tokyo Disneyland, proved to be highly popular.

Accordingly, the total combined attendance at the two Parks for fiscal year 2017 reached a figure which exceeded the initial forecast.

For Reference:

Fiscal Year Attendance Figures

2016: 30,004,000 persons

2015: 30,191,000 persons

2014: 31,377,000 persons (record-setting high up to this time)

2013: 31,298,000 persons

2012: 27,503,000 persons

Total Combined Attendance of the two Parks since the Grand Opening of Tokyo Disneyland (April 1983): 720,663,000 persons
