**Tokyo DisneySea Large-Scale Expansion Project
Start of Operations Timing Revised**

URAYASU, CHIBA—Oriental Land Co., Ltd. announced that scheduled timing for the start of operations of **Fantasy Springs** at **Tokyo DisneySea® Park** has been revised.

Based on further study and review, the expansion project of this eighth Tokyo DisneySea themed port will be fully in operation in fiscal year 2023. There is no revision of other items that have been announced to date.

Note: The scheduled timing of the start of operations for the large-scale expansion project was announced as fiscal year 2022 in the press release of June 14, 2018.
The Oriental Land Co., Ltd. fiscal year starts on April 1 and ends on March 31.
