**Tokyo Disneyland and Tokyo DisneySea Parks
Attendance Figures for the First Half of Fiscal Year 2016**

URAYASU, CHIBA—**Tokyo Disney Resort®** announced today that the total combined attendance at **Tokyo Disneyland® Park** and **Tokyo DisneySea® Park** during the first half of this fiscal year (April 1 to September 30, 2016) amounted to a figure of 14,329,000 persons (a decrease of 43,000 persons or 99.7% of the attendance figure for the same period last year).

During the first half of this fiscal year, the new show “**Crystal Wishes Journey,**” being presented exclusively during “**Tokyo DisneySea 15th Anniversary: The Year of Wishes**” attracted Guests to the Park. A new Tokyo DisneySea musical show, **Out of Shadowland**, as well as the Tokyo Disneyland special event, “**Disney's Easter,**” also proved to be highly popular.

While these special event and shows were well received, the high number of rainy days and extreme weather conditions during this period were factors that resulted in the total combined attendance above.
