FOR IMMEDIATE RELEASE

Oriental Land Co., Ltd.

Further Efforts to Enhance Security in Tokyo Disneyland® and Tokyo DisneySea®

Oriental Land Co., Ltd. is continuing to introduce new security protocols at both Tokyo Disneyland and Tokyo DisneySea to enhance the safety of our Guests.

So far, additional security checks and patrols have been implemented at both Parks.

Metal detection gates, X-ray detectors and additional measures are being introduced to continue to enhance Guest safety.

Tokyo Disney Resort® continues to work with all neighboring partners and local authorities within the Resort area in order to create a safe and secure destination.
