TOKYO DISNEYLAND

GET SOAKED ATTRACTION

Splash Mountain “get soaked MAX”

The attraction Splash Mountain, where guests ride a log boat that inevitably drops down a 16-meter high waterfall, will present “Splash Mountain ‘Get Soaked MAX’” for the second year in a row. During this limited-period, there will be an additional effect with more water being sprayed to make the drop even more exhilarating, allowing guests to enjoy both the coolness of the water and the thrill of the drop.

- Splash Mountain is presented by Kao Corporation.

GET SOAKED ENTERTAINMENT PROGRAM

Baymax’s Mission: Cool Down

Location: Parade Route

Duration: About 35 minutes

Performances: 3 daily

Number of Floats: 2

In this fun entertainment program presented along the parade route, Baymax, the personal healthcare companion robot from Walt Disney Animation Studios’ *Big Hero 6*, protects guests from the summer heat. In the program, Baymax is entrusted with the mission of raising the “energy levels” of guests and searches for areas in need of a cool down while spraying guests with mist. When an area with “low energy levels” is detected, the float stops and guests can enjoy a refreshing spritz of water to up-beat, lively music.

Get soaked Toontown

Fun spots where guests can get soaked will pop up around Toontown, including the Trolley Barn at Jolly Trolley, Toontown Fire Department and Fireworks Factory, which will spout more water than ever before. Guests can enjoy the hot summer months with these limited-period water-splashing spots.

- For safety reasons, guests including children are requested to refrain from experiencing these programs in bare feet or swimsuits, or while removing their clothes.

- Toontown is presented by Kodansha Ltd.

Aquatopia get soaked version

For the first time in four years, the “Aquatopia Get Soaked version” will return to Aquatopia, an attraction where guests can enjoy the unpredictable movements of an automated water vehicle. In addition to the excitement of not knowing where the vehicle will go, guests can also experience the thrill of not knowing when or where they will get splashed with water.

Get soaked time

To energize guests during the hot summer months, cast members with barrels of water will be walking around for those who want to be sprayed with cool and refreshing mist.

- Each of the Get Soaked Programs are subject to change or cancellation depending on circumstances.
- In the Get Soaked Programs, guests' faces, clothes, shoes, etc. may be exposed to a large amount of water. Please take care not to let your electronic devices, such as smartphones, get soaked, and put them in your bag or pocket.
