## **Merchandise at Tokyo Disney Resort Coming to Official Disney Online Store “Disneystore.jp” from July 1**

**URAYASU, CHIBA**—Tokyo Disney Resort® announced that merchandise offered at Tokyo Disney Resort will be available for purchase on Disneystore.jp, the official Disney online store in Japan, from July 1. The online shopping service, which has been available through the Tokyo Disney Resort App (hereinafter referred to as “the App”), will transition to Disneystore.jp on this date. Guests using this service will be able to purchase merchandise from Tokyo Disney Resort online, without entering **Tokyo Disneyland® Park** or **Tokyo DisneySea® Park**.

The existing online shopping service for guests who have entered the parks will remain in place, while guests who have not entered the parks will be able to purchase items offered at Tokyo Disney Resort on Disneystore.jp starting July 1. As a result, the online shopping feature on the App for guests who have not entered the parks will no longer be available after June 30. However, guests who have entered the parks will still be able to purchase items on the App until 11:45 p.m. on the date of admission, even on or after July 1.

With the addition of Tokyo Disney Resort merchandise to Disneystore.jp, guests will be able to enjoy an even greater shopping experience.

Coordinate your look ahead of time with a headband, bag and more, and enjoy a moment at home before your park visit.
