This is the fourth Thea Award that **Tokyo Disney Resort®** has received.

Comments on Receiving the Thea Award:

Yumiko Takano, Oriental Land Co., Ltd. Representative Director, Chairperson and CEO, said “We are very honored to receive this prestigious award. From concept to opening, Fantasy Springs took 10 years to complete and required the extensive knowledge and experience of both Oriental Land Co., Ltd. and The Walt Disney Company. This one-of-a-kind themed port brings the world of Disney stories to life with innovative technology and a magnificent immersive area. Everything was created with incredible detail, both the area and its hotel, and guests enjoy an immersive experience the moment they step into Fantasy Springs. Cast members also play a valuable role bringing the world of Fantasy Springs to life for our guests. We will strive to continue offering happiness and unforgettable experiences for our guests visiting Tokyo Disney Resort.”
