**Attraction at Fantasy Springs in Tokyo DisneySea
Rapunzel's Lantern Festival
to be Sponsored by Daihatsu Motor Co., Ltd.**

URAYASU, CHIBA—Tokyo Disney Resort® announced that **Rapunzel's Lantern Festival**, one of the attractions that opened at the themed port **Fantasy Springs** in June 2024 in **Tokyo DisneySea® Park**, will be sponsored by **Daihatsu Motor Co., Ltd.** (hereinafter Daihatsu) starting March 1, 2025.

Fantasy Springs consists of three areas inspired by Walt Disney Animation Studios films and a Disney hotel. Themed to magical springs that lead to a world of Disney fantasy, Fantasy Springs is home to attractions that immerse guests in the worlds from the films, as well as restaurants, a shop and more.

Rapunzel's Lantern Festival is located in **Rapunzel's Forest**, the area inspired by the Disney Animation film *Tangled*, and follows the story of Rapunzel as she meets Flynn Rider for the first time and experiences her "best day ever." Here, guests can enjoy a romantic boat trip through iconic locations and scenes from the film, culminating in a finale enveloped by the glow of countless lanterns filling the night sky.
