Tokyo Disney Resort Special Drone Show “Magic in the Air” to Be Held Across Japan

URAYASU, CHIBA—Tokyo Disney Resort® announced that a special drone show will be held again this year, starting in summer, at various fireworks festivals across the country to deliver dreams and smiles to people nationwide.

In Tokyo Disney Resort Special Drone Show “Magic in the Air,” approximately 1,500 drones will simultaneously take flight, portraying Disney characters in the night sky. This 15-minute program will commence with a portrayal of Mickey Mouse welcoming guests, followed by scenes inspired by the Walt Disney Animation Studios film *Aladdin*. These fantastical scenes will make guests at the fireworks festivals feel like they have stepped into the dreamlike world of Tokyo Disney Resort.

This special drone show will also feature popular Disney music, accompanied by scenes themed to the three areas of Fantasy Springs, the eighth themed port that opened last year at **Tokyo DisneySea® Park**: Frozen Kingdom, Rapunzel’s Forest and Peter Pan’s Never Land.
