Disney Story Beyond

The story tells the tale of Carlo, a young man training to be a gondolier. We follow his journey as he grows as a gondolier through interactions with fellow gondoliers and the people of the town, working hard to make his debut on the day of Carnival. The story is told over 20 episodes, with episodes 1–17 released gradually on the Disney Story Beyond special website and the official Tokyo Disney Resort YouTube channel (release date to be determined). Episodes 18 onward can be enjoyed by visiting the park. By exploring certain locations in Palazzo Canals and taking photos of designated scenes, guests can uncover the events that unfolded on the day of the Carnival.
