URAYASU, CHIBA — **East Japan Railway Company**, hereinafter JR EAST (headquarters: Shibuya-ku, Tokyo-to; President and CEO of JR EAST: Yoichi Kise) and **Oriental Land Co., Ltd.** (headquarters: Urayasu-shi, Chiba-ken; Representative Director, President and COO: Wataru Takahashi) will launch the “**Magical Jubilee Shinkansen**” special train for a limited period starting June 10. The train’s design is inspired by the ongoing **Tokyo DisneySea 25th “Sparkling Jubilee”** anniversary event.

The “Magical Jubilee Shinkansen,” featuring special designs of Disney characters, was made possible through a cooperation between **Tokyo Disney Resort®** and JR EAST.

This will mark the first time that a JR EAST Shinkansen will feature decorated headrest pillows. Additionally, the interior will include decorations on the seat curtains and interior stickers to create a festive, special atmosphere throughout the entire cabin.

“Jubilee Blue,” the **Tokyo DisneySea® Park** 25th anniversary theme color that draws inspiration from the captivating seas, will be prominently featured on the “Magical Jubilee Shinkansen” through various designs. These include Mickey Mouse and other Disney friends, dressed up in anniversary-themed attire, as well as DisneySea AquaSphere — the symbol of Tokyo DisneySea — and Mount Prometheus. The celebratory atmosphere of Tokyo DisneySea 25th “Sparkling Jubilee” will also be reflected inside the cars through the headrest pillows and melodies that play during operation.
