Bibbidi Bobbidi Boutique Opening in Spring 2017 at Tokyo Disneyland Park

URAYASU, CHIBA—Tokyo Disney Resort® announced the opening of a second **Bibbidi Bobbidi Boutique** in **Tokyo Disneyland®** Park. Like the one in the **Tokyo Disneyland® Hotel**, this new beauty salon in World Bazaar will make dreams come true for children who admire the Disney Princesses.

Bibbidi Bobbidi Boutique has been highly popular since opening at the Tokyo Disneyland Hotel in 2008. The new beauty salon in the Park will allow even more children to enjoy this magical experience. In addition, after completing their princess transformation, children can have their pictures taken together with their families at a photo studio that will set up with the new beauty salon.
