From April 15, 2016, through March 17, 2017

URAYASU, CHIBA— **Tokyo Disney Resort®** announced that to mark the 15th anniversary of the grand opening of **Tokyo DisneySea®** Park, a major celebration will be held at the Park from April 15, 2016, through March 17, 2017, entitled “**Tokyo DisneySea 15th Anniversary: The Year of Wishes.**”

Tokyo DisneySea opened on September 4, 2001 as the only Disney Park themed to the sea. The theme of the Park’s 15th anniversary is “wishes.” “Wishes” are people’s dreams for the future and give a feeling of hope and excitement. During the anniversary celebration, crystals of various colors symbolizing individual wishes will decorate the Park. These “Crystals of Wishes,” will also be worn by Mickey Mouse and the Disney Friends. The crystal worn by Minnie Mouse is red which represents her wish for love. The crystal worn by Donald Duck, which symbolizes friendship, is blue and Goofy’s wish for energy is represented by a green crystal. The various wishes represented by all the crystals form a clear crystal worn by Mickey Mouse.

Guests can also enjoy the rhythmical dance performance by Mickey Mouse and Minnie Mouse in their new costumes. Re-imagined for the first time since it opened in July 2006, the show will feature new elements, while retaining all the excitement of the original production.

On July 9, a brand new musical show “**Out of Shadowland**” will premiere at the Hangar Stage in Lost River Delta. This colorful show with an original story created

specifically for the Hangar Stage will incorporate vivid images and powerful, moving live performances as dynamic scenes unfold leading Guests to a world never experienced before.
