New Nighttime Entertainment at Tokyo Disneyland
“Frozen Forever”

URAYASU, CHIBA— **Tokyo Disney Resort®** announced that **“Frozen Forever”** will be presented at **Tokyo Disneyland® Park** for limited period from January 13 to March 17, 2017. **“Frozen Forever,”** a new nighttime entertainment offering using projection mapping technology* will be presented as part of the Tokyo Disneyland special event, **“Anna and Elsa’s Frozen Fantasy.”**

“Frozen Forever” will consist entirely of scenes from the Disney film *Frozen*. These scenes, projected onto the exterior of Cinderella Castle, bring to life a world of *Frozen* that Guests can only experience at the Park. The show highlights the themes of the film through scenes showing Anna and Elsa’s childhood, their adventures and the importance of family ties. Guests will also be able to enjoy the film’s memorable songs, including “Let It Go,” “For the First Time in Forever” and “Love is an Open Door.” The show’s finale features dramatic pyrotechnics over Cinderella Castle. This awe-inspiring world of *Frozen* awaits Guests this winter for a limited period at Tokyo Disneyland.

Show Facts

Duration: About 15 minutes
Performance: 1-2 Daily
Venue: Cinderella Castle (Castle Forecourt)

Notes:

- Reserved tickets (available by lottery) are required to view this show from the seats in the Central Viewing Area. For more details, please see the Tokyo Disney Resort Official Website.
- “Once Upon a Time,” currently presented at Tokyo Disneyland, will not be presented during the period when “Frozen Forever” is presented.

*Projection mapping produces a three-dimensional effect by projecting images in a way that fits the contours of buildings and other structures.
